PAROS

Description

This beautiful 140 m² house is located on the hill of Sarakiniko, west of Parikia, offering breathtaking sea views and unforgettable sunsets! The unique property is built on a 5,400 m² plot with exclusive use of approximately 2,700 m² of land. As you enter the house, you'll be greeted by a bright, colorful living space that exudes a pleasant sense of well-being. The lounge area is cosy with its rounded shape facing the wood-burning stove, followed by the study area with its captivating sea view. The open-plan kitchen in the center of the room perfectly connects the living and dining areas. Next you'll find three bedrooms. Two of them share a common bathroom overlooking the back garden planted with olive trees and the monastery of Saint Arsenios. The master bedroom has a spacious en-suite bathroom and a breathtaking view of the horizon. The outdoor area of the house is a true haven of peace, completely protected from the winds. It includes a lovely swimming pool, a large pergola for meals in the shade and even a summer bed: for sleeping under the stars ... there's no noise and the view seems to stretch on forever, from the island of Antiparos to the "Gates" of Paros. For an even more enchanting experience, you can take an outside staircase to the rooftop terrace. It's here that you'll discover the fourth bedroom, an adorable retreat reserved for romantics. Don't miss your chance to own this exclusive piece of paradise!
