

A pretty house for sale in Paros with fantastic garden

PAROS

Description

A pretty house for sale in Paros with fantastic garden Built in 2013, this 258,5 m2 house designed by an architect from Paros, is located in the Molos region. Each room in the building is spacious and bright and brings a feeling of fluidity. On the ground floor, we enter a pleasant living room with fireplace followed by its large kitchen with work bench and space for meals. Also, on this floor we have a bedroom with en-suite bathroom, a laundry room, a toilet and a closed garage. A staircase leads to the upper floor where we have two large bedrooms with en-suite bathrooms. All the rooms in the house open onto a large private terrace with a view of the garden or the sea. On the vast terrace of the ground floor, we have a barbecue area with covered area. We also have a 30 m2 basement and a helicopter landing pad. Finally, it is with a lot of love and patience that the owners of this house have created and maintained this magnificent plot of 5200m2.
