

Apartment with special architectural beauty for sale in Athens-Kolonaki

ATHENS

Description

This architectural gem is a one-of-a-kind opportunity for anyone who loves architecture and values aesthetics over generic renovated spaces that have no soul. It is a stunning 160sq.m. apartment nestled on the 2nd floor of an exquisite art deco building that has been perfectly maintained, located a few steps away from Kolonaki's main square. The owners have updated the apartment while thoughtfully preserving its original features such as the hand-crafted wooden floors, arched doorways and funky bathroom. The space comprises three living rooms pierced by large windows that allow the sunlight in, a front-side bedroom that can double as a study and two back-side bedrooms that open to a private balcony, a maid's room, a kitchen with pantry, a bathroom and a guest WC.
