

Beautiful contemporary-style house for sale in Paros-Paroikia

PAROS

Description

This beautiful contemporary-style house has it all! First and foremost its location: the house is in Kakapetra, just a 20-minute walk from Paroikia (or a 5-minute bike ride) and a 15-minute walk from Parasporos beach. The house faces west, so you can enjoy an incredible sunset every evening. The layout of the house is also an asset. The 180 m² house comprises, on the ground floor, a living-dining room followed by a kitchen, which although not very large is very well laid out and functional, a master bedroom with en suite bathroom and lovely private patio and, behind the house, a guest bedroom with separate entrance and en-suite bathroom. Upstairs, we have two lovely, bright bedrooms with sea views, en-suite bathrooms and private terrace, as well as a fifth room now used as an office but which could also be a lovely spare bedroom. The exterior of the house is not to be outdone! The large terrace with quartz flooring, the 3.5 m x 10 m saltwater swimming pool, the superb pergola with its fully equipped summer kitchen and large dining table. The magnificent 2700 m² garden is fully planted with fruit trees, herbs and 33 olive trees, which this year produced 82 liters of olive oil. In addition to the 180 m² house, a further 220 m² can be built.
