

Beautiful villa for sale in Kea on the beachside!

KEA

Description

This is a beachfront, autonomous, tranquil villa right next to a virtually private beach. A rare property, offering ample sea views and idyllic quality vacationing right next to a beach of your own. It is divided in two independent levels with different outside areas and entrances, the main villa floor on the upper level and the totally independent suite Thalassa on the lower. The two levels communicate only via an external stone staircase and feature their own terraces.
