

Detached House with sea view for Sale in Tinos - Lichnaftia

TINOS

Description

This inviting detached house just awaits your personal touch. The exteriors are already finished, while the interiors are ready to be tailored to your unique preferences, needs, and budget. Nestled near the enchanting hamlet of Lichnaftia, within walking distance to the beach, this property boasts a generous private land measuring nearly 2000 sqm. Additionally, it comes with a swimming pool license, adding to its allure. Designed with flexibility in mind, the builder envisions two independent properties. The ground floor hosts a spacious 150 sqm apartment (3 bedrooms, 2 bathrooms, kitchen, dining room), while the second apartment (3 bedrooms, 2 bathrooms, kitchen, reception area) spanning 155 sqm across two floors, offers versatility and potential. These units can either remain separate or be combined as one. Thanks to the slight slope, the first apartment is on the ground floor and so is the first floor of the second apartment. Moreover, this elevation provides breathtaking sea views while keeping the beach within close reach. With its great location and endless possibilities, this house presents an exceptional opportunity for you to create your dream home.
