

Exceptional villa for sale in Paros

PAROS

Description

This superb property is located in one of the most beautiful areas of the island. The entire area is now protected and the few owners in this region are extremely privileged. The villa is located in a green oasis of 11168m² with a view of more than 200 degrees on the whole west and northwest coast of the island. The sunsets are spectacular. The house of about 500 m² is distinguished by its elegance. All rooms are large and bright with high ceilings. The six bedrooms of the house, all of them very nice size with en-suite bathrooms, open on a nice terrace with a view on the sea (except for one bedroom which opens on the sublime garden). The magnificent 60 m² swimming pool and its terrace invite to real moments of pleasure. Without any doubt, an exceptional property
