

Front line Cycladic villa for sale in Ambella-Paros

PAROS

Description

This front-line beach villa has been designed in pure Cycladic style: Everything is there: the symmetrical white lines, the turquoise blue swimming pool, the white marble terraces, the large pergolas and in front..... the sea! The villa is located in the privileged area of Filizi in Ambella, ideally situated 5 mins from Naoussa . The house is intelligently arranged. On the ground floor, a luminous living-dining room followed by the beautiful white kitchen opens onto the outdoor spaces of the house: the swimming pool and the two beautiful pergolas invite you to laze around or for family meals facing the sea. On this level we have two bedrooms and a large bathroom. The upper floor with its large terrace is reserved for the master bedroom with sitting area, wardrobe and spacious bathroom. The lower level of the house has a large lounge area with sofas ideal for the whole family, a small kitchen and two bedrooms with bathroom en-suite. This frontline property is unique in itself as very few houses are available in this part of the island.
