Walking distance from the center of Tinos Town and yet in the middle of nature, Houses in Greece is proud to present you this detached house. On its huge garden/orchard it has his own dovecote just waiting to be returned to its splendour. You enter the house from the elevated ground floor either into the reception area or via the terrasse into the dining room. On this floor you will find a charming little kitchen, the dining room and the reception area - which can be turned into a 4th bedroom, with a small shower room. You go upstairs to the sleeping area via a spiral staircase where you will find 2 bedrooms and a bathroom. One of the bedroom has a beautiful veranda, with an amazing view, while the other has a very nice balcony. On the lower ground floor you will have an independent bedroom with its shower room, a very convenient layout to allow more privacy for the host and guest/family. With some renovation work, this property will be an incredible asset for the Cycladic Islands lovers. You can come to the house by 2 ways, either directly from the bottom via the town, or from above. On each side you have parking possibilities The town with all its attractions is easily accessible on foot.
