

Luxurious villa with amazing views, for sale in Paros

PAROS

Description

Discover this luxury retreat under construction in the special area of Moni Christos Forest, next to Parikia, overlooking the endless blue and the lush hills of the island. The residence is built covertly on a hill with an area of 5,700 m² with absolute privacy and breathtaking views. The villa of a total area of 377 m² is arranged along the plot in two levels, maintaining amphitheatrical views of the mountain and the sea. On the west side the house includes a very large living room and kitchen that open to the pool area and the garden, as well as 3 bedrooms with private bathrooms and access to the continuation of the courtyard with the pool. On the east wing there are 3 more bedrooms, kitchen and living room opening to another courtyard with garden. The large openings with glazed windows and geometric architectural shapes allow light to gently diffuse throughout the spaces, creating a sense of total relaxation and harmony. If you dream of a paradise in the Cyclades for you, your family and friends, do not hesitate to discover this unique property with us.
