

New construction in Paros 80 meters from the beach

PAROS

Description

In the southernmost part of the island, a beautiful villa is being built, with a total surface area of 277 m² on a lovely plot of 4988 m², just 80 m from the beach. Ready for occupancy in 2024, this single-storey residence offers 232 square metres of living space, featuring a large living room with open-plan kitchen, followed by two large bedrooms with sea views, each with its own en suite bathroom. The third bedroom and bathroom are in a separate building. Outside, there is a 49 square metre pond offering an ideal setting for relaxing while enjoying the breathtaking views, and, at the bottom of the property, a lovely covered area for relaxing away from the hustle and bustle of house life. The privileged location of this property is underlined by its rare accessibility to the beach on foot. Offering a harmonious balance between contemporary elegance, luxurious comfort and proximity to the beach, this villa represents a rare opportunity on the island's property market.
