

Prestigious villa in Paros

PAROS

Description

Prestigious villa in Paros This sumptuous architect's Villa of 600 m² bathed in light on an enclosed landscaped plot of 8000 m² is located at the heights of Akgeria with sublime views of the sea and Antiparos. With a southwest exposure and protected from the wind, the villa has a total of six large bedrooms with en-suite bathrooms and an elegant 100m² studio with living room and private bathroom. The residence, designed with high quality fittings, is undoubtedly a sumptuous and spacious property. The living space of the house is essentially spread over one level: on the one hand, are the living-dining room with spacious American kitchen and large opening onto the terrace and on the other hand, a magnificent corridor leading to five of the bedrooms. The same floor opens onto the large panoramic terrace with a heated infinity pool of over 100m² and a sea view toward the horizon. The beautiful 100m² accoya wood pergola protects the relaxation area from the sun. The lower floor consists of a magnificent studio with independent entrance: with a large bay window opening onto its terrace and sea view. On this floor are also a large gym, laundry room and technical room. Finally, also on this level is the seventh bedroom of the house, along with independent entrance, with its own small terrace with sea view. The house is fully air-conditioned with heat pump for hot and cold. City water for domestic use and borehole water for exteriors and garden
