

Rare land for sale in Paros

PAROS

Description

This magnificent plot of 8500 m² has one of the most beautiful views on the south-eastern coast of Paros ☐ and breathtaking views of Golden Beach. The permit gives you the possibility to build a house of 350 m² with also a basement , first floor and a swimming pool. The shape of this land also offers you the possibility of building two or even three houses each with its respective swimming pool and therefore the land can also be considered as an investment. Rare land for sale in Paros!
