

Skiathos, amazing seaview villa with infinity pool

SKIATHOS

Description

A warm welcome to this beautiful modern villa built in 2021 with its thick stone walls in the traditional style of Skiathos island. It is located on a shared plot of three villas with its own private pool and stunning views of the sea and picturesque countryside. The living room with its modern open plan kitchen and fireplace has a stylish and warm atmosphere and is very bright due to the large picture windows. The covered terrace leads to an infinity pool and a large seating area, which is a fantastic place to enjoy the sunsets and sea views with friends and family. In total, the villa has three floors: On the lower level there are 2 bedrooms with king-size beds, each with its own bathroom and dressing room. In the middle is the magnificent open-plan, high-ceilinged living room with kitchen and WC. On the upper level there is another bedroom with en-suite bathroom and large windows overlooking the beautiful green landscape. Furthermore, the villa is perfectly suitable as an investment for renting out.
