

Spetses, traditional house with sea view, for sale

SPETSES

Description

A stone's throw from the sea, a few minutes walk from the port of Dapia and Poseidonion Grand Hotel, is this charming 1870 house. Built on two floors, on a plot of 560m² it includes two independent apartments, each of 80m². The house needs restoration, of course, but once finished you will enjoy a little gem with a beautiful garden and, upstairs, a large terrace, with a view of the sea. Imagine sipping your cocktail on the terrace while watching the sunset, having a barbecue in the garden on a balmy summer evening or having dinner at the local tavern with your feet in the water. Possibility of building an additional 120m². Each apartment has a living room, kitchen, 2 bedrooms and 1 bathroom.
