

Spetses, unique plot with unobstructed sea view

SPETSES

Description

A rare and unique plot of 980 sq.m. nestled in a charming and peaceful neighborhood, just a 15-minute walk away from both Dapia and the Old Harbour. Situated only 450 m from the sea, it provides stunning, unobstructed sea views. The property comprises two adjacent plots seamlessly melded into one, with a building factor of 0,5 allowing the creation of a spacious residence. Additionally, an existing old house of 56 square meters adds character and history to the plot, offering potential for renovation or incorporation into a new architectural project . A rare plot with unobstructed sea views in a serene and privileged location.
