

Unique property in the heights of Kea with stunning view!

KEA

Description

Unique property in the heights over the beautiful beach of Poisses, overlooking both Koundouros bays and Poisses. An old 1950 mill (without a hat!) and around the 197m² house on one level in a 980m² plot. The sunset view is one of the most beautiful on the island! The house has been enlarged and renovated in 2000 by the artist owner but needs certainly to be refreshed in order to reveal the absolute boheme charm of this property. The kitchen plan is all custom made by the artist owner from a unique piece of rock is a gem! The large garden all around is absolutely lovely and gives a feeling of being on top of the world! The sandy beaches of Koundouros and Poisses are 10 min away by car!
