

Villa for sale in Paros with breathtaking views

PAROS

Description

This newly built property is undoubtedly unique for its breathtaking view. The lines of the house are typical of the Cyclades: pure and simple, the rooms of the house are bright and spacious. The geographical position of the house is ideal, only a few miles away from the beautiful Naoussa and yet quiet from the summer hustle and bustle of the island. The property is essentially articulated on one level: the large living-dining room-kitchen area facing the large terrace and the beautiful infinity pool, a nice play area, three large bedrooms with en-suite bathrooms, laundry room. On the upper floor of the house there are also two more bedrooms, each with kitchen and bathroom space, perfect for offering privacy to everyone.
