

## Villa for sale in Paros with direct access to the sea

PAROS

## Description

This magnificent 357 sqm villa (280 sqm living space) with direct access to the sea is located in the south east part of Paros, far enough away from the hustle and bustle of the island and yet very close to the pretty village of Drios and the beautiful beaches of Golden Beach , Iolandonis..... The villa is scheduled to be handed over in the spring of 2024. It consists of a spacious living room followed by a large kitchen, both of which open onto the beautiful outdoor dining area and the 80m2 water element. There are five bedrooms with en-suite bathrooms. The fifth bedroom is independent, outside the central building of the house. The view is of course breathtaking: Only a dirt road separates the house from the sea.
