

villa with unique view for sale in Tinos

TINOS

Description

The view from this house is not only incredible, but simply unique. With an almost 360 degree perspective, the panorama before you changes with every moment of the day, every season. These scenes spread out majestically before you bathed in the unique Greek light. The surrounding islands, villages and plains of Tinos are literally at your feet. While the mountains behind you block the northern winds. From the terrace, when you see the ferry leaving Mykonos, you know that you have 20 minutes to get down to the port to welcome your friends, your children The main house has 3 bedrooms, 3 bathrooms, one separate kitchen, a maids room and amazing living room going onto the terrasse. Below the main house you have 2 studios with each its bathroom. They can be kept separated as they are now or reunited in order to have an independent appartement. Even though it was constructed less than 20 years ago, the owner took great care to respect the traditional style and materials when he was building it. It is gifted with various inside and outside spaces to offer privacy but also lots of inside and outside space to reunite families and friend together. The plot of 4000 sqm gives ample possibilities to add a swimming pool (a provision has already been made and used as a water tank at the moment). Last on the hill, you won't be bothered by the neighbours below, and you surely have the best view. Biological wastewater treatment, 2 solar water heaters, Distance 1,100 meters from the beach, 8 minutes from the town of Tinos.
