

Wonderful detached house with swimming pool for sale in Naxos

NAXOS

Description

A beautiful house for sale on the outskirts of the village of Glinado. Built in 2022, this property has 5 bedrooms with each their bathrooms. What is particularly convenient is that each of the five bedrooms is located on their own level, each level being half a floor apart. The first ensuite bedroom is on the ground floor with direct access to the terrace, which might be very convenient for people with reduced mobility. The second bedroom is few steps higher up and the third again a few stairs up, and has direct access to a balcony and to the roof top. The fourth ensuite bedroom is on the semi ground floor, with direct access to the garden while the fifth on the semi basement with also direct access to the garden. The house has an amazing outside space with a beautiful swimming pool and a very nice outdoor dining area under the pergola. The garden extends beyond with fruit trees. What is also quite exceptional about this property is that the owner took the greatest care during the excellent construction : from the wooden beam, ceiling lights, in-build beds and sofas, beautiful equipped bathrooms, best quality windows, tasteful furnitures and so much more. The house is oriented west and offers every evening a beautiful sun set. Last but not least, one of the very few houses for sale in Naxos ready to move in and is sold furnished.
