

House with an unrestricted view over the Aegean Sea - Naxos

Наксос

Описание

Located above the best beaches of Naxos, this house meets the most demanding requirements: beautiful sea views and proximity to the beaches. In the South western part of the Island, with the most beautiful sunsets at your feet, the property is sheltered from the north winds. Taking advantage of the slope, the swimming pool will give you the impression of swimming towards the horizon. Built in 3 independent spaces, this single storey villa will be beautiful. Don't take too long to visit the construction site! The first part of the house (81 m²) will house the reception areas: kitchen, dining room and guest toilet. The second part includes the master bedroom and its bathroom in a space of 44 m², with a courtyard of 25 m². The third part includes the two other bedrooms and the two bathrooms, for a total space of more than 63 m². These spaces have direct access to the pool and outdoor living areas. Made out of local material and with the beautiful granite stones You would like to have your friends or family sharing your greek dream ? No problem. There are 2 nearly identical houses, the total plot being 5800 sqm. House ref. H-833 is above house ref. H-834. As seen on the 3D pictures. A jewel in the making.
