

## Amazing plot for sale in Tinos

ТИНОС

## Описание

Located on the heights of Tinos, just below Triandaros, Houses in Greece is proud to propose this amazing plot for sale. With a size of 7350 square meters, it has an existing building permission for 3 houses and the renovation of the 3 stone shepherds barns. The rarity of this piece of land is that although it is on the heights of the island, hence this beautiful view, it is flat like a tableland! This location is ready for an amazing real estate project.
