

Andros, best location and best view of the island

Андрос

Описание

This is for sure the best view on Andros that one can have.... the "wow effect" is guaranteed! And not only will you be surprised by the panoramic view on the 2 beaches below but also by this fantastic stone built villa and its quality. On a clear day you can see Syros, Paros, Serifos, Kea, Kythnos.... The main house features 3 bedrooms, 2 bathrooms, a kitchen and a spacious living room with fireplace exiting to a very big terrace, partly covered by a pergola. Underneath we have an independent studio for guests, with one room and bathroom. A barbecue area, also built with the old stones and with an ancient oven will enlighten your evenings with family and friends. Further down, on the same +/- 6.000 m2 plot there are 2 unfinished guesthouses to be completed. Each one is of 75m2 and they enjoy the same fantastic view than the main house. The actual owner has the permits for 3 swimming pools - one for each house - of 3x6m. More features: - covered parking for several cars - autonomous central fuel heating - air condition units - the land has its own water - double glazed windows and mosquito screens - close to Gavrio and Batsi
