

Andros, unique sun set villa in Kato Aprovato for sale

Андрос

Описание

Unique villa for sale on Andros, with the best sun set spot on the island. This villa is set on 2 floors on a plot of 4.000m², with a total of 4 bedrooms and 4 bathrooms. The ground floor has a spacious living room with wide openings to the pool and to enjoy the sea view and the sun light, an open plan kitchen as well as an atrium. There is also one master bedroom, 1 WC, storage and a wide balcony/terrace. The first floor has 3 master bedrooms, all enjoying the panoramic sea view, and are connected with a large terrace. The wide openings to the endless sea view from almost every room and the generosity of space make this villa very special. It is walking distance to a secluded bay, about 10 minutes to go down but a bit more sportive to go up. It was the wish of the architect to leave the house incomplete, so that the new owner can decide about the finishing and put his taste and needs to it. The selling price is for the finished house, it will take about 6-7 months to deliver.
