

First class new build for sale in Paros

Парос

Описание

This first-class new build is located in the south-east of the island, with breathtaking 180-degree sea views from Marpissa to Lolandonis. The villa is scheduled for completion in the summer of 2024. The villa comprises a large living room with dining area and semi-open-plan kitchen, followed by four en-suite bedrooms and a separate fifth bedroom with small kitchen and bathroom. The building is characterized by its slightly futuristic style, with huge bay windows on either side of the building: all the living areas of the house open out onto the blue Aegean Sea and communicate with the large terrace, the beautiful 95 m2 triangular swimming pool, the brazier area and the summer living-dining room. The fifth bedroom above the main house is an added bonus for friends or older children, while respecting everyone's independence. The large living room of over 120 m2 also offers a very special ambience thanks to its large windows at the back of the house opening onto courtyards, bringing in even more light and creating a homely atmosphere. Finally, in the basement, a large space of 80 m2 has been created for the entire house's storage, as well as the utility room, and possibly a small additional bedroom with bathroom. The construction is composed by two villas. only the lower villa is for sale.
