

Highly aesthetic and unique single house for sale in Sparti-Peloponnese

Порто Хели - Пелопоннес

Описание

Emblematic mansion of Sparta, with neoclassical architecture of the 19th century and modern amenities, next to the center of the historic city. Thoroughly renovated detached house, work of a well-known professor of architecture, respected in the history of the building with a modern aesthetic. All spaces have been completely restored based on excellent quality materials and result in a fresh and luxurious aesthetics. With the impressive staircase made of wood and metal, as a central element, perfectly matched by the extremely high ceilings and the carved wooden paneling on ceilings and walls, all particularly impressive in this very bright mansion of the historic city. On 3 levels, where on the ground floor we are already won by the extremely spacious living room with the impressive ceiling, while as we proceed we find a large space ideal for large parties without any limit in the number of our guests. Upstairs, in a more relaxed and warm style we have a dining room, equipped kitchen, 2nd w/c, living room with fireplace, three bedrooms and 2 bathrooms. All comfortable and functional spaces for the daily life of a large family. Descending to the basement of the building we discover part of the former underground cellar which has been converted into a sitting area and an immersive monastic dining room for 20 people. This house has a long story and still tells it in every corner.
