

Land for sale on Tinos

ТИНОС

Описание

Located at the entrance of the traditional village of Ysternia (within the settlement building plans) the 616 sqm plot is even level and approximately 300m above sea level. It has a buildable factor of 70%, enough for a house of 400 sqm. Water and electricity are already available. The plot has the permission to build any type of property. The amphitheater view of the endless blue sea and Syros, will make any house stunning. The nearest beach would be the bay of Ysternia , 3 km away and Pyrgos is 5 km away. The area is surrounded by picturesque pigeons houses, windmills and other cultural sights.
