SKIATHOS

Описание

The typical Greek island house and the adjoining flat offer a picturesque setting in the centre of Skiathos town. The quiet prime location on the hillside of Agios Nicolaos with its small alleyways make the house a jewel. A staircase leads to both the house and the flat with a total of 134m² on a plot of 100m². From the large roof terrace of the house you can enjoy a marvellous view of the Aegean Sea. The flat also has an additional balcony and a beautiful courtyard.
