

Spetses, for sale, charming old property fully restored

Спецес

Описание

Conveniently located between the center of the island and the old harbor, this charming property consists of three independent buildings around a beautiful inner courtyard . Old property , totally restored in 2004 with all the original features, whilst integrating all modern conveniences including air conditioning throughout. The main building is on two floors. The first floor consists of a spacious and lightful living room with fireplace and open beam roof and access to a fabulous roof terrace with panoramic views of the village and the hills. A bright bedroom with open beam ceiling and a bathroom complete the first floor. The ground floor consists of a large master bedroom, walk-in cloakroom, a spacious bathroom and a laundry room. The second building consists of a open plan kitchen and a comfortable and pleasant dining room. The third building offers a large guest room with double bed, double sofa bed, marble washstand and well! Outdoors : The delightful courtyard has a vine pergola, large barbecue and stone oven olive, lemon and orange trees. The roof terrace has a large pergola , fridge and fix seating for 15 guests. Air conditioning and central heating in all room. The property is completely wheelchair friendly. An elegant and charming property ready to move into.
