

## Spetses, prime location, house with garden for sale

Спецес

## Описание

Only 10min walking distance from Dapia and from the old Harbor, in a nice and quiet neighborhood, charming old house for sale. The house is set on a plot of 797m2 It is in need of a total renovation and can become a fantastic property in the best area of Spetses. The upper level enjoys sea view. There are +/- 45m2 auxiliary spaces, more m2 can be build. Old wooden floors, high ceilings.... this property has a huge potential!
