

Spetses, property at the waterfront for sale

Спецес

Описание

On Spetses, first line on the waterfront, rare property for sale. The two storey house is set on a plot of 600m² and has a ground floor of 200m² and a first floor of 200m². The ground floor has now 2 retail stores of which one is rented for another 3 years. It can be renovated and integrated to the first floor in the future. The apartment on the upper floor has been entirely renovated. It comprises a large living and dining room with fireplace, wooden floors and high ceilings, facing the sea. From the kitchen we have direct access to the back terrace and the beautiful garden which gives shadow on hot days. We have a total of 3 bedrooms and 2 bathrooms. Spetses port with its cafés, taverns and night life is at 300m, the nearest beach at just 10m. A rare property at the best spot of Spetses!
