

Splendid mansion in Hydra

HYDRA

Описание

Certainly one of the most beautiful mansions on the port of Hydra. Restored with class and respect to the historical building, the owners have turned this 1800's mansion into a distinguished villa overlooking the unique harbour of Hydra. The main building has two grandiose bedrooms (that can easily be turned into 4!) on the first floor, with two bathrooms, the master bedroom enjoying the breathtaking view over the picturesque port. On the ground floor, a large living area with its fireplace, dining room and modern equipped kitchen. The garden is lovely, with terraces and shady corners. There is a lovely independent guest room and a unique elevated terrace that offers a stunning view . It is a 7 minutes walk up from the nautical club...and by a path through the pines to the sea!
