

Superbe maison avec piscine à vendre à Naxos Grèce

Наксос

Описание

Ok, for now we just have a plot to show you, but what a plot ! Grab it before it comes out, since for now we have it exclusively. The location is just perfect : high enough for an amazing view, but not too high for the proximity of the multiple beaches and the beautiful villages and tavernas, easy accessible by road. Surrounded by a very bucolic country side and in front of a charming small church, it is just PERFECT. That is for the settings. Now to the house which is still in project, as most properties are in Naxos : The house will have the convenience to be all on ground level and will offer you 3 bedrooms and 3 bathrooms and a big private swimming pool of 69 sqm. The construction will start as soon as all the legal papers are ready and expected to be delivered in approximately 2 years from that moment
