Наксос

Описание

A lovely village house with a separate guest house is up for sale in Naxos, located in close proximity to the charming village of Chalkio. The property sits on a 700 sqm plot with ample parking space that could easily be converted into a swimming pool. The main house spreads across three floors, with the semi-basement section awaiting refurbishment, though it has the potential to be transformed into two bedrooms, a bathroom, and a kitchen. The elevated ground floor comprises a spacious living room, a stunning and ample kitchen with a pantry, and a bathroom. As you enter the first floor, you will find yourself in a large winter garden that leads to the first bedroom and bathroom. The second bedroom is accessible via the terrace, and both bedrooms are connected by the bathroom. The quaint guest house is entirely made of stone and includes a bedroom/living room, kitchenette, and bathroom. The house is surrounded by a beautiful garden filled with mature olive trees and various fruit trees.
